

Recommendation.

Gentofte d. 02012005

Michael gets my highest recommendation.

You have always worked very hard to give the customers and employees the best support.

Cuts were the only reason you were laid off. Your flexibility towards the company will always amaze me.

Very rarely have I experienced a person like you.

I wish you lots of good luck in your job search.

I know you can do whatever a new company wants from you.

Yours sincerely

Rob(ert)
